

Pursuant to Article 13, paragraph 2, item 3 of the Law on Accounting (RS Official Gazette, No 62/2013) and Article 18, paragraph 1, item 3 of the Law on the National Bank of Serbia (RS Official Gazette, Nos 72/2003, 55/2004, 85/2005 – other law, 44/2010, 76/2012 and 106/2012), Governor of the National Bank of Serbia adopts the following

DECISION
ON THE CHART OF ACCOUNTS AND CONTENTS OF ACCOUNTS
IN THE CHART OF ACCOUNTS FOR BANKS

I. INTRODUCTORY PROVISIONS

1. This Decision lays down the Chart of Accounts for Banks, which is printed along with this Decision and forms an integral part thereof, as well as the contents of groups of accounts and individual accounts in the Chart of Accounts for Banks.

2. Banks may not introduce three-digit accounts other than the accounts prescribed by this Decision.

3. Banks may further break down the three-digit accounts according to their needs. However, they shall provide the data required for the preparation of financial statements: on purpose, measurement method and impairment stages of financial instruments, pursuant to the decision governing the collection, processing and submission of data on the balance and structure of accounts in the Chart of Accounts, in analytical accounts, either in general ledger or in appropriate modules of sub-ledger accounts which are reconciled with the general ledger – every last day of the month.

II. CONTENTS OF GROUPS OF ACCOUNTS AND INDIVIDUAL
ACCOUNTS

CLASS 0: CASH, GOLD AND RECEIVABLES FROM
OPERATING ACTIVITY

4. Accounts of group 00 – Cash in dinars shall disclose cash in gyro and current accounts, vault cash, cheques and other monetary assets in dinars.

balance sheet date) shall be disclosed in account 408. Amounts that may not be recorded in appropriate accounts shall be recorded in suspense accounts.

Account 001 shall disclose vault cash and cash transactions made through vault, cash in the treasury, cash in transit, etc.

Account 002 shall disclose cheques.

Account 003 shall disclose other monetary assets not covered by the above accounts of this group and of which the bank disposes without limitations.

Account 009 shall disclose allowances for impairment of accounts in this group.

5. Accounts of group 01 – Callable deposits and loans in dinars, shall disclose deposits with the National Bank of Serbia, callable deposits and loans, as well as loans under repo transactions in dinars.

Account 010 shall disclose excess liquidity deposited with the National Bank of Serbia.

Account 011 shall disclose callable deposits that the bank, in accordance with a contract, may cash with insignificant risk of write-down.

Account 012 shall disclose callable loans that the bank, in accordance with a contract, may cash with insignificant risk of write-down.

Account 013 shall disclose loans in respect of repo transactions, based on repo agreements on the purchase of securities with the contractual obligation of their repurchase.

Account 019 shall disclose allowances for impairment of accounts in this group.

6. Accounts of group 02 – Receivables for interest and fee and commission, trade receivables and other receivables from regular operation in dinars, shall disclose the said receivables.

Account 020 shall disclose receivables in dinars for calculated interest under loans, deposits and other lending.

Account 021 shall disclose receivables in dinars for calculated fee and commission under bank's other assets and services.

Account 022 shall disclose receivables in dinars from buyers on the basis of sale.

Account 024 shall disclose other receivables in dinars from regular operation in respect of which profit is determined.

Account 025 shall disclose receivables in dinars for calculated interest, fee and commission under cash and balances with the central bank.

Account 027 shall disclose receivables in dinars for calculated interest under other assets.

Account 028 shall disclose receivables in dinars for calculated fee and commission under loans, deposits and other lending.

Account 029 shall disclose allowances for impairment of accounts in this group.

7. Accounts of group 03 – Other receivables in dinars, shall disclose receivables arising from given advance payments, receivables from employees, receivables in respect of prepaid taxes and contributions, receivables for current tax assets, receivables based on assets for transactions on behalf and for the account of the bank, other receivables from operating activities, suspense accounts and accrued receivables – in dinars.

Account 030 shall disclose advance payments to suppliers, given deposits and downpayments, and other similar receivables for working capital in dinars.

Account 031 shall disclose advance payments to suppliers for non-current investments in dinars (intangible assets and property, plant and equipment).

Account 032 shall disclose receivables from employees in dinars for advance payments for business travel, for compensation of damages caused by employees to the bank, for deficits to be recovered from employees, and other similar receivables.

Account 033 shall disclose receivables in dinars for overpaid taxes, contributions and other fees established as at the balance sheet date.

Account 034 shall disclose receivables for current tax assets under overpaid profit tax of the current and previous periods.

Account 035 shall disclose receivables in dinars for assets given to legal entities to carry out certain tasks from operating activities on behalf of and for the account of the bank.

Account 036 shall disclose other receivables from operating activities in dinars, for which no separate account in this group of accounts has been envisaged.

Account 037 shall disclose the amounts in dinars that could not be recorded in the appropriate accounts at the time when gyro-account statements have been posted. Individual items recorded in this account may not be older than five working days.

Account 038 shall disclose accrued receivables in dinars.

Account 039 shall disclose allowances for impairment of accounts in this group.

8. Accounts of group 05 – Cash in foreign currency, shall disclose foreign currency accounts, vault cash, cheques and other monetary assets in foreign currency.

Account 050 shall disclose monetary assets in regular and special foreign currency bank accounts, as well as transactions through those accounts. The balance of assets disclosed in these accounts shall be equal to the balance in foreign currency bank accounts (according to the bank statement, certificate of the bank's balance or other similar reconciliation document). The credit balance in the foreign currency bank account (on the last day of the month and on the balance sheet date) shall be disclosed in account 508. Amounts that may not be recorded in appropriate accounts shall be recorded in suspense accounts in foreign currency.

Account 051 shall disclose foreign currency cash holdings in vault, transactions made through vault, foreign currency cash holdings in the treasury, foreign currency cash holdings in transit, etc.

Account 052 shall disclose foreign currency cheques.

Account 053 shall disclose other monetary assets in foreign currency, not covered by the above accounts of this group and of which the bank disposes without limitations.

Account 059 shall disclose allowances for impairment of accounts in this group.

9. Accounts of group 06 – Callable deposits and loans in foreign currency shall disclose deposits with the National Bank of Serbia, callable deposits and loans, and loans under repo transactions.

Account 060 shall disclose foreign currency required reserves allocated in special accounts with the National Bank of Serbia in accordance with the law and decision of the National Bank of Serbia.

Account 061 shall disclose callable foreign currency deposits that the bank, in accordance with a contract, may cash with insignificant risk of write-down.

Account 062 shall disclose callable foreign currency loans that the bank, in accordance with a contract, may cash with insignificant risk of write-down.

Account 063 shall disclose loans under repo transactions in foreign currency, based on repo agreements on the purchase of securities with the contractual obligation of their repurchase.

Account 069 shall disclose allowances for impairment of accounts in this group.

10. Accounts of group 07 – Gold and other precious metals, shall disclose gold and other precious metals.

Account 070 shall disclose gold.

Account 071 shall disclose other precious metals.

Account 079 shall disclose allowances for impairment of accounts in this group.

11. Accounts of group 08 – Receivables for interest and fee and commission, trade receivables and other receivables from regular operation in foreign currency, shall disclose the said receivables.

Account 080 shall disclose receivables for calculated interest in foreign currency under loans, deposits and other lending.

Account 081 shall disclose receivables for calculated fee and commission foreign currency under bank's other assets and services in foreign currency.

Account 082 shall disclose receivables in foreign currency from buyers on the basis of sale.

Account 084 shall disclose other receivables in foreign currency from regular operation in respect of which profit is determined.

Account 085 shall disclose receivables for calculated interest, fee and commission in foreign currency under cash and balances with the central bank.

Account 087 shall disclose receivables for calculated interest in foreign currency under other assets.

Account 088 shall disclose receivables for calculated fee and commission in foreign currency under loans, deposits and other lending.

Account 089 shall disclose allowances for impairment of accounts in this group.

12. Accounts of group 09 – Other receivables in foreign currency, shall disclose receivables arising from given advance payments, receivables from employees, receivables based on the funds for transactions to be carried out on behalf of and for the account of the bank, other receivables from operating activities, as well as suspense accounts and accrued receivables – in foreign currency.

Account 438 shall disclose accrued liabilities.

Account 439 shall disclose liabilities in suspense accounts.

36. Accounts of group 44 – Liabilities for wages/salaries and allowances in dinars, shall disclose accrued liabilities to employees for net wages/salaries and net allowances, as well as liabilities arising from temporary and occasional work.

Account 440 shall disclose accrued liabilities to employees for net wages/salaries on all grounds (account 630).

Account 441 shall disclose accrued liabilities to employees for net allowances (account 631).

Account 442 shall disclose accrued liabilities for taxes on wages/salaries and allowances (account 632).

Account 443 shall disclose accrued liabilities for contributions on wages/salaries and allowances (account 633).

Account 444 shall disclose liabilities arising from temporary and occasional work (account 634).

Account 445 shall disclose other liabilities to employees accrued in dinars.

37. Accounts of group 45 – Provisions and tax liabilities in dinars, shall disclose provisions for liabilities, provisions to cover liabilities for other long-term employee benefits, for losses on off-balance sheet assets, and on pensions, and other provisions in dinars. These provisions shall be measured in compliance with relevant standards. The accounts of this group shall also disclose liabilities for profit tax and value added tax and other liabilities for taxes and contributions.

Account 450 shall disclose provisions for liabilities to cover obligations arising from past events, which are likely to cause an outflow of resources, for their settlement, and which may be reliably estimated (e.g. disputes in progress). Provisions for liabilities shall be monitored individually, and their increase shall be debited to account 652, while their reversal shall be recorded as operating income in account 752.

Account 451 shall disclose provisions for other long-term employee benefits, in accordance with IAS 19. These provisions shall be debited to account 655, while their reversal shall be recorded as income in account 755.

Account 452 shall disclose provisions for losses on off-balance sheet assets, in accordance with the adopted accounting policy.

Account 453 shall disclose long-term provisions for pensions in banks that set up a special pension fund for their employees. These provisions shall be debited to account 655, while their reversal shall be recorded as income in account 755.

Account 454 shall disclose other provisions in dinars.

Account 455 shall disclose liabilities for profit tax.

Account 456 shall disclose liabilities for value added tax.

Account 457 shall disclose liabilities for other taxes and contributions (contributions payable by the employer on wages/salaries, allowances and other personal reimbursements and other taxes and contributions) in dinars.

38. Accounts of group 46 – Liabilities arising from non-current assets for sale and assets of discontinued operations in dinars, shall disclose these liabilities.

Account 460 shall disclose liabilities arising from non-current assets for sale, in accordance with IFRS 5, which are settled or closed on the disposal of those assets.

Account 461 shall disclose liabilities from assets from discontinued operations, in accordance with IFRS 5, which are settled or closed on the disposal of those assets.

39. Accounts of group 47 – Deferred tax liabilities in dinars, shall disclose these liabilities.

Account 470, on the credit side, shall disclose deferred tax liabilities carried forward from previous years and deferred tax liabilities created during the year to the debit of account 860. Account 470 – on the debit side, shall disclose a reduction in deferred tax liabilities during the year to the credit of account 861. Deferred tax assets, originating from temporary differences that are a result of revaluation – shall be recorded to the debit of revaluation reserves.

40. Accounts of group 48 – Subordinated liabilities in dinars, shall disclose these liabilities.

Account 482 shall disclose subordinated liabilities (acquired deposits, loans and long-term securities that, in the event of liquidation or bankruptcy of a bank, are repaid only after full payment of liabilities to other creditors).

41. Accounts of group 49 – Accruals and deferred income in dinars, shall disclose income and expenses of the current period collected and/or accrued in advance for which document has not been received or which shall become due for payment in the future period.

Account 490 shall disclose accrued interest expenses in respect of loans, deposits and other financial liabilities in dinars charged to the current accounting period that do not come due for payment during that period.

Account 491 shall disclose accrued fee expenses and other accrued expenses in dinars in the current accounting period (accrued rent, accrued insurance premiums and other expenses) that do not come due for payment during that period.

Account 492 shall disclose the amounts of collected interest in dinars relating to the next accounting period.

Account 493 shall disclose income in dinars collected in advance, in respect of costs of loan servicing, which are included in the effective interest rate in accordance with IFRS 7 and are a deductible of loans and receivables in assets.

Account 494 shall disclose income collected from fees and other income in dinars relating to the next accounting period.

Account 495 shall disclose other accruals and deferred income in dinars.

Account 496 shall disclose calculated interest expenses and other calculated expenses in dinars on issued securities.

Account 497 shall disclose accruals and deferred income for liabilities based on interest and other expenses accrued on subordinated liabilities in dinars.

CLASS 5: LIABILITIES IN FOREIGN CURRENCY

42. Accounts of group 50 – Liabilities in respect of deposits and loans in foreign currency, shall disclose transaction, callable and savings deposits, deposits in respect of granted loans, special-purpose and other deposits, overnight deposits and loans, loans under repo transactions, received loans and other financial liabilities.

Account 500 shall disclose transaction accounts of bank clients in foreign currency.

Account 501 shall disclose callable deposits in foreign currency, implying deposits that the bank client may call off and cash at any time.

Account 502 shall disclose savings deposits in foreign currency, which implies bank's liability to retail clients in respect of their savings (savings books and savings accounts).

Account 503 shall disclose deposits in foreign currency received by the bank on the basis of which the client has been approved a loan.

Account 504 shall disclose received special-purpose deposits of bank clients in foreign currency, implying deposits whose purpose has been set forth in a law, by-law or bank regulation.

Account 505 shall disclose deposits other than savings deposits, deposits in respect of loans or special-purpose deposits in foreign currency.

Account 506 shall disclose deposits and loans falling due within one day (overnight) in foreign currency.

Account 507 shall disclose loans under repo transactions based on repo agreements on the sale of securities, with the contractual obligation of their repurchase, in foreign currency.

Account 508 shall disclose loans received by the bank in foreign currency.

Account 509 shall disclose other financial liabilities in foreign currency.

43. Accounts of group 51 – Liabilities arising from securities and other financial liabilities in foreign currency, shall disclose these liabilities.

Account 510 shall disclose liabilities arising from securities (bonds, treasury bills, certificates, etc.) issued by the bank in foreign currency.

Account 511 shall disclose liabilities under derivatives in foreign currency, other than derivatives intended for hedging, which also include all effects of the change in the value of these derivatives, recorded within revenues and expenses.

Account 512 shall disclose liabilities arising from hybrid securities in foreign currency, which include securities that, in accordance with the agreement, may be converted into shares of the bank.

Account 515 shall disclose securities and other financial liabilities, measured at fair value through the income statement in foreign currency, i.e. with the exception of liabilities under derivatives.

Account 517 shall disclose liabilities under derivatives in foreign currency intended for hedging, which also include all effects of the change in the value of these derivatives, recorded within revenues and expenses or within equity.

Account 518 shall disclose the effects of changes in the fair value of items being subject to hedging in respect of the group of financial assets in foreign currency.

44. Accounts of group 52 – Interest, fee and commission liabilities in foreign currency, shall disclose these liabilities.

Account 520 shall disclose liabilities under interest on loans, deposits and other financial liabilities in foreign currency.

Account 521 shall disclose liabilities under fees and commissions on loans, deposits and other financial liabilities in foreign currency.

Account 523 shall disclose liabilities for interest on issued securities in foreign currency.

Account 524 shall disclose liabilities for interest on subordinated liabilities in foreign currency.

Account 525 shall disclose liabilities for fees and commissions on subordinated liabilities in foreign currency.

Account 526 shall disclose liabilities for interest on other liabilities in foreign currency.

Account 527 shall disclose liabilities for fees and commissions on other liabilities in foreign currency.

45. Accounts of group 53 – Other liabilities in foreign currency, shall disclose liabilities to suppliers, liabilities arising from received advance payments, lease, activated guarantees and sureties, liabilities to employees, liabilities for commission operations and for received assets for transactions on behalf and for the account of clients, other liabilities from business relations, accrued liabilities and suspense accounts in foreign currency.

Account 530 shall disclose liabilities to suppliers in foreign currency.

Account 531 shall disclose liabilities for received advance payments, deposits, downpayments etc. in foreign currency.

Account 532 shall disclose liabilities arising from bank lease arrangements in foreign currency.

Account 533 shall disclose liabilities arising from activated guarantees and sureties in foreign currency.

Account 534 shall disclose liabilities to employees in foreign currency.

Account 535 shall disclose liabilities for commission operations, i.e. liabilities that the bank assumed in its own name and for the account of other persons in foreign currency.

Account 536 shall disclose liabilities arising from received assets for transactions on behalf and for the account of bank clients as well as reduced liabilities through lending in foreign currency.

Account 537 shall disclose other liabilities from business relations in foreign currency.

Account 538 shall disclose liabilities accrued in foreign currency.

Account 539 shall disclose liabilities in suspense accounts in foreign currency.

46. Accounts of group 58 – Subordinated liabilities in foreign currency, shall disclose these liabilities.

Account 582 shall disclose subordinated liabilities in foreign currency (acquired deposits, loans and long-term securities that, in the event of liquidation or bankruptcy of a bank, are repaid only after full payment of liabilities to other creditors).

47. Accounts of group 59 – Accruals and deferred income in foreign currency, shall disclose income and expenses for the current period collected and/or accrued in advance for which document has not been received or which shall become due for payment in the future period.

Account 590 shall disclose accrued interest expenses in respect of loans, deposits and other financial liabilities in foreign currency, charged to the current accounting period that do not come due for payment during that period.

Account 591 shall disclose liabilities in respect of fees, and other accrued expenses in the current accounting period in foreign currency (accrued rent, accrued insurance premiums and other expenses) that do not come due during that period.

Account 592 shall disclose the amounts of collected interest in foreign currency relating to the next accounting period.

Account 593 shall disclose income in foreign currency collected in advance, in respect of costs of loan servicing, which are included in the effective interest rate in accordance with IFRS 7 and are a deductible of loans and receivables in foreign currency in assets.

Account 594 shall disclose income from fees and other income in foreign currency relating to the next accounting period.

Account 595 shall disclose other accruals and deferred income in foreign currency.

Account 596 shall disclose interest expenses accrued and other expenses accrued on issued securities in foreign currency.

Account 597 shall disclose accruals and deferred income for liabilities in respect of interest and other expenses accrued on subordinated liabilities in foreign currency.

CLASS 6: EXPENSES

48. Accounts of group 60 – Interest expenses, shall disclose accrued expenses of regular and default interest in the current accounting period, regardless of maturity time for payment.

Account 600 shall disclose accrued interest expenses on loans in dinars in the current accounting period.

Account 601 shall disclose accrued interest expenses on deposits in dinars in the current accounting period.

Account 602 shall disclose accrued interest expenses on securities in dinars.

Account 603 shall disclose accrued interest expenses arising from other liabilities in dinars in the current accounting period.

Account 605 shall disclose accrued interest expenses for loans in foreign currency in the current accounting period.

Account 606 shall disclose accrued interest expenses for deposits in foreign currency in the current accounting period.

Account 607 shall disclose accrued interest expenses on securities in foreign currency.

Account 608 shall disclose accrued interest expenses for other liabilities in foreign currency in the current accounting period.

49. Accounts of group 61 – Fee and commission expenses, shall disclose accrued fees and commission expenses in the current accounting period, regardless of the time of their payment.

Account 610 shall disclose fees for payment operation services at home and abroad, accrued expenses of fees under received guarantees, commitment fees, commissions under other sureties and other similar commissions in dinars.

Account 615 shall disclose fees for payment operation services at home and abroad and accrued fee expenses for received guarantees, commitment fees, commissions for other sureties and other related commissions in foreign currency.

50. Accounts of group 62 – Losses from derecognition of financial instruments in accordance with IFRS 9 and investments, shall disclose losses from derecognition of loans, deposits, securities, derivatives, investments and other lending and liabilities including negative effects of modification and reclassification of financial instruments treated as derecognition of financial instruments in accordance with IFRS 9.

Account 620 shall disclose losses from derecognition of financial instruments measured at fair value through profit or loss.

Account 621 shall disclose losses from derecognition of financial instruments measured at fair value through other comprehensive income.

Account 623 shall disclose losses from derecognition of investments.

Account 626 shall disclose losses from derecognition of financial instruments measured at amortised cost.

Account 627 shall disclose losses from reclassification of financial instruments measured at amortised cost to measurement at fair value through profit or loss.

Account 628 shall disclose losses from reclassification of financial instruments measured at fair value through other comprehensive income to measurement at fair value through profit or loss.

Account 629 shall disclose losses from modification of financial instruments.

51. Accounts of group 63 – Costs of wages/salaries, allowances and other personal expenses, shall disclose costs of accrued net wages/salaries and allowances, costs of taxes and contributions on wages/salaries and costs of remuneration for temporary and occasional work, regardless of the time of payment.

Account 630 shall disclose accrued net wages/salaries (account 440).

Account 631 shall disclose accrued net allowances (account 441).

Account 632 shall disclose costs of accrued taxes on wages/salaries and allowances (account 442).

Account 633 shall disclose costs of accrued contributions for pension and health insurance, as well as other employees' insurance benefits, other contributions on wages/salaries and allowances (account 443).

Account 634 shall disclose costs of accrued remuneration for temporary and occasional work (account 444).

Account 635 shall disclose the costs of other personal expenses, such as retirement severance payments, personal emoluments of managing board members and other employees' personal emoluments.

52. Accounts of group 64 – Operating expenses, shall disclose the expenses for materials, production services, depreciation of intangible assets and fixed assets, non-material costs, costs of taxes and contributions of the bank unrelated to the performance, and other costs, irrespective of the time of their payment.

Account 640 shall disclose expenses for materials, energy, spare parts and small tools.

Account 641 shall disclose services that have the nature of material costs.

Account 642 shall disclose the costs of depreciation of intangible assets and fixed assets, accrued to the credit of respective analytical accounts for allowances for impairment of intangible assets and fixed assets within accounts 339, 349 and 359.

Account 643 shall disclose costs of compensations, costs of non-production services, entertainment, insurance premiums (excluding insurance premiums for life-insurance of employees), membership fees and other non-material costs. Compensated costs shall include royalties, compensated accommodation and food costs on business trips, compensated costs of transportation to/from work, compensated fieldwork accommodation and food costs, and other costs compensated to employees, employers and other natural persons. Costs of non-production services shall include non-production services, such as legal services, cleaning services and other non-production services, and entertainment costs – expenses for entertainment and hospitality, including the value of own products, goods and services. Costs of insurance premiums shall include insurance premiums for intangible assets, fixed assets, inventories, receivables and other assets of the bank, and deposit insurance premiums. Membership fees shall include membership fees in business and other associations.

Account 644 shall disclose costs of taxes (other than taxes on wages/salaries and allowances).

Account 645 shall disclose costs of contributions (other than contributions for wages/salaries and allowances).

Account 646 shall disclose all other operating costs as well as costs of research.

53. Accounts of group 65 – Expenses for indirect write-offs of financial assets and expenses for provisions, shall disclose expenses for estimated shortfall of allowances for impairment of loans, expenses for provisions for off-balance sheet items, provisions for liabilities, and expenses for other provisions at the balance sheet date.

Account 650 shall disclose allowances for impairment of financial assets measured at amortised cost in the current year.

Account 651 shall disclose provisions for off-balance sheet items made in the current year.

Account 652 shall disclose an increase in the provisions for liabilities to cover obligations arising as a result of past events, which is likely to cause an outflow of resources, for their settlement, and that can be reliably estimated. Reductions in the amounts and/or reversal of individual provisions at the end of the period relative to the beginning of the period shall be disclosed within operating income in account 752.

Account 653 shall disclose an increase in the amount of other provisions.

Account 655 shall disclose expenses of provisions for pensions and other provisions for employees expressed in the income statement as costs of employees.

Account 656 shall disclose a portion of the write-down of financial assets measured at fair value through other comprehensive income, in the current year, based on a change in credit risk, in accordance with IFRS 9.

54. Accounts of group 66 – Other expenses, shall disclose unrecoverable claims written-off, losses on sale, and on disposal and write-off of fixed assets and intangible assets, shortages, damages, etc., other expenses and losses from discontinued operations.

Account 660 shall disclose direct write-off of loans, investments and other claims, in accordance with the general regulation governing accounting policies.

Account 661 shall disclose the unwritten-off value and additional costs of disposed and written-off fixed assets and intangible assets, which is not covered by income from sale – by debiting this account, the analytical account of allowances for impairment within accounts 339, 349 and 359 and the account of trade receivables, to the credit of the respective account in which fixed assets and intangible asset are carried.

Account 662 shall disclose the unwritten-off value and additional costs of disposal of fixed assets and intangible assets – to the debit of this account, and the analytical account of allowances for impairment within accounts 339, 349 and 359, and to the credit of the respective account in which fixed assets and intangible assets are carried and other accounts relating to additional disposal costs.

Account 667 shall disclose the documented losses from shortages and damages determined by the official commission or in other ways.

Account 668 shall disclose the write-off of obsolete inventory, fines, penalties and indemnities, expenses from the correction of materially insignificant errors in previous periods and other expenses.

Account 669 shall disclose losses from discontinued operations, in accordance with IFRS 5.

55. Accounts of group 67 – Expenses for change in the value of assets and liabilities, shall disclose negative effects of changes in the value of loans, deposits, securities, derivatives, other lending and obligations, fixed assets, investment property and intangible assets, which, in accordance with IFRS/IAS, shall be offset by debiting expenses.

Account 670 shall disclose the negative effects of changes in the value of items subject to hedging.

Account 673 shall disclose the negative effects of changes in the value of fixed assets, investment properties and intangible assets which, in accordance with IFRS/IAS, shall be offset by debiting expenses.

Account 674 shall disclose the negative effects of changes in the value of derivatives, other than derivatives intended for hedging.

Account 675 shall disclose the negative effects of changes in the value of derivatives intended for hedging.

Account 676 shall disclose the negative effects of changes in the value of financial assets measured at fair value through profit or loss.

Account 677 shall disclose the negative effects of changes in the value of financial liabilities measured at fair value through profit or loss.

56. Accounts of group 68 – Expenses arising from exchange rate gains and losses, shall disclose expenses arising from exchange rate losses, which also include expenses arising from exchange rate losses in respect of the contracted currency clause.

Account 680 shall disclose exchange rate losses which occurred in the accounting period in respect of foreign currency receivables and liabilities.

Account 681 shall disclose expenses from exchange rate losses in respect of the contracted currency clause which occurred in the accounting period.

57. Accounts of group 69 – Transfer of expenses, shall disclose the transfer of expenses.

Account 690 shall disclose transfer of expenses – crediting that account by debiting accounts 881–882. Closing the accounts of this group at the end of the year shall be done by debiting them to the credit of groups of accounts 60–68.

CLASS 7: INCOME

58. Accounts of group 70 – Interest income, shall disclose accrued income from regular and default interest in the current accounting period, regardless of the time it falls due for payment, including income from recovered suspended interest according to the type of loans in respect of which it is accrued.

Account 700 shall disclose accrued income from interest on loans in dinars in the current accounting period.

Account 701 shall disclose accrued income from interest on deposits in dinars in the current accounting period.

Account 702 shall disclose accrued income from interest on securities in dinars.

Account 703 shall disclose accrued income from interest on other lending and assets in dinars in the current accounting period.

Account 705 shall disclose accrued income from interest on loans in foreign currency in the current accounting period.

Account 706 shall disclose accrued income from interest on deposits in foreign currency in the current accounting period.

Account 707 shall disclose accrued income from interest on securities in foreign currency.

Account 708 shall disclose accrued income from interest on other lending and assets in foreign currency in the current accounting period.

59. Accounts of group 71 – Fee and commission income, shall disclose income from fees and commissions accrued in the current accounting period, irrespective of the time of their payment.

Account 710 shall disclose income from payment operation services at home and abroad for corporate and retail clients, income from services relating to custody operations and other similar fees, and commissions accrued under issued guarantees, commitment fees, commissions for other sureties and other related fees and commissions – in dinars.

Account 715 shall disclose income from payment operation services at home and abroad for corporate and retail clients, income from services relating to custody operations and other similar fees and commissions accrued under issued guarantees, commitment fees, commissions for other sureties and other related fees and commissions – in foreign currency.

60. Accounts of group 72 – Gains from derecognition of financial instruments in accordance with IFRS 9 and investments, shall disclose gains from derecognition of loans, deposits, securities, derivatives, investments and other lending and liabilities, including the positive effects arising from modification and reclassification of financial instruments treated as derecognition of a financial instrument in accordance with IFRS 9.

Account 720 shall disclose gains from derecognition of financial instruments measured at fair value through profit or loss.

Account 721 shall disclose gains from derecognition of financial instruments measured at fair value through other comprehensive income.

Account 723 shall disclose gains from derecognition of investments.

Account 726 shall disclose gains from derecognition of financial instruments measured at amortised cost.

Account 727 shall disclose gains from reclassification of financial instruments measured at amortised cost to measurement at fair value through profit or loss.

Account 728 shall disclose gains from reclassification of financial instruments measured at fair value through other comprehensive income to measurement at fair value through profit or loss.

Account 729 shall disclose gains from modification of financial instruments.

61. Accounts of group 74 – Operating income, shall disclose such income.

Account 746 shall disclose income from the sale of products and services, income from use of own goods and services, income from subsidies, grants, reimbursements, compensation and refund of dues from the sale of products and services, income from contributions and membership fees and other operating income accounted for in an accounting document, irrespective of the time of its collection.

62. Accounts of group 75 – Income from the reversal of indirect write-offs of financial assets and provisions, shall disclose such income.

Account 750 shall disclose the amounts of reversed indirect write-offs of financial assets measured at amortised cost.

Account 751 shall disclose the amounts of reversed provisions for off-balance sheet items.

Account 752 shall disclose a reduction in provisions for liabilities relative to the previous year (the difference between provisions for liabilities in the previous year and required provisions for liabilities in the current year).

Account 753 shall disclose a reduction in other provisions from the previous period.

Account 755 shall disclose income from the reversal of provisions for pensions and other provisions for employees.

Account 756 shall disclose the amounts of reversed write-down of financial assets measured at fair value through other comprehensive income, based on the change in credit risk, in accordance with IFRS 9.

63. Accounts of group 76 – Other income, shall disclose recovered written-off claims, gain on sold fixed assets and intangible assets, income from reduced liabilities, income from dividends and shares, surpluses, other income and gains from discontinued operations.

Account 760 shall disclose recovered claims that the bank wrote off directly, irrespective of the time of their write-off.

Account 761 shall disclose income from the sale of fixed assets and intangible assets above the amount of their unwritten-off value – by debiting the analytical account of allowances for impairment within accounts 339, 349 and 359 and the respective account for trade receivables, and by crediting this account and the corresponding account in which fixed assets and intangible assets are carried.

Account 762 shall disclose income from reduction of other liabilities under the law, out-of-court settlement, and alike – by direct write-off, debiting the account in which the obligation is disclosed.

Account 766 shall disclose income from dividends and other income from equity interests.

Account 767 shall disclose the documented gains from surpluses as determined by the official commission or in other ways.

Account 768 shall disclose income from collected penalties and indemnities, income from the correction of materially insignificant errors in previous periods and other income.

Account 769 shall disclose gains from discontinued operations, in accordance with IFRS 5.

64. Accounts of group 77 – Income from change in the value of assets and liabilities, shall disclose positive effects of changes in the value of loans, deposits, securities, derivatives, other lending and obligations, fixed assets, investment property and intangible assets, which, in accordance with IFRS/IAS, constitute income.

Account 770 shall disclose the positive effects of changes in the value of items subject to hedging.

Account 773 shall disclose the positive effects of change in the value of fixed assets, investment property and intangible assets which, in accordance with IFRS/IAS, constitute income.

Account 774 shall disclose the positive effects of changes in the value of derivatives, other than derivatives intended for hedging.

Account 775 shall disclose positive effects of changes in the value of derivatives intended for hedging.

Account 776 shall disclose the positive effects of change in the value of financial assets measured at fair value through profit or loss.

Account 777 shall disclose the positive effects of change in the value of financial liabilities measured at fair value through profit or loss.

65. Accounts of group 78 – Income from exchange rate gains and losses, shall disclose income from exchange rate gains, which includes income from exchange rate gains in respect of the contracted currency clause.

Account 780 shall disclose exchange rate gains which occurred in the accounting period in respect of foreign currency receivables and liabilities.

Account 781 shall disclose income from exchange rate gains in respect of the contracted currency clause which occurred in the accounting period.

66. Accounts of group 79 – Transfer of income, shall disclose the transfer of income.

Account 790 shall disclose transfer of income – debiting the account 790 to the credit of accounts 881 and 882. Closing the accounts of this group at the end of the year shall be done by crediting them to the debit of groups of accounts 70–78.

CLASS 8: EQUITY, RESERVES FROM PROFIT AND OTHER RESERVES, REVALUATION RESERVES AND UNREALISED PROFIT/LOSS, PROFIT, LOSS, TAX ON PROFIT OF THE PERIOD, LOSS AND PROFIT FROM CHANGE OF DEFERRED TAX ASSETS AND DEFERRED TAX LIABILITIES, RECEIVABLES AND LIABILITIES ARISING FROM INTERNAL RELATIONS AND OPENING AND CLOSING OF ACCOUNTS

67. Accounts of group 80 – Equity, shall disclose share capital of the bank, issuance premium and subscribed unpaid share capital.

Account 800 shall disclose issued and subscribed common shares of the bank.

Account 801 shall disclose issued and subscribed preferred (priority) shares of the bank.

Account 802 shall disclose the difference between the achieved selling price of common and preferred (priority) shares and their nominal value.

Account 803 shall disclose the amount of subscribed unpaid common and preferred (priority) shares of the bank.

68. Accounts of group 81 – Reserves from profit and other reserves, shall disclose bank's reserves from profit, other reserves and reserve for general

banking risks, in line with the bank's articles of association, established by the decision of the bank's general meeting and in accordance with the bank's internal regulations.

Account 810 shall disclose reserves established by the bank at the expense of its profit, in accordance with its articles of association and based on the decision of the bank's general meeting, the purpose of which is to cover losses.

Account 811 shall disclose other reserves established by the bank at the expense of its profit, in accordance with its articles of association and based on the decision of the bank's general meeting, for other purposes.

Account 813 shall disclose reserves for general banking risks that the bank calculates and discloses in accordance with its internal regulations.

69. Accounts of group 82 – Revaluation reserves and unrealised gains/losses, shall disclose these reserves and profit/loss, which are included in the statement of other comprehensive income in accordance with IAS 1, whereas the effects of calculated tax relating to specific components of other comprehensive income shall be disclosed within three-digit accounts.

Account 820 shall disclose effects of the change in the fair value of intangible assets and fixed assets.

Account 821 shall disclose gains/losses from change in the value of equity instruments measured at fair value through other comprehensive income in accordance with IFRS 9.

Account 822 shall disclose actuarial gains/losses in respect of defined benefit plans in accordance with IAS 19.

Account 823 shall disclose gains/losses from change in the value of debt instruments measured at fair value through other comprehensive income in accordance with IFRS 9.

Account 824 shall disclose gains/losses in respect of cash flow hedging instruments in accordance with IFRS 9.

Account 825 shall disclose other revaluation effects and unrealised gains/losses in respect of equity securities hedging instruments measured at fair value through other comprehensive income in accordance with IFRS 9, in respect of financial liabilities of the bank, measured at fair value through profit or loss which are a result of change in bank creditworthiness as well as other

unrealised gains/losses that shall be disclosed within other comprehensive income in accordance with IAS and IFRS requirements which cannot be reclassified to gain/loss.

Account 826 shall disclose other revaluation effects and unrealised gains/losses in respect of calculation of transactions and balance in foreign currency and translation of results and financial position of operations abroad in accordance with IAS 21, in respect of instruments intended for hedges of net investments in foreign operations, in respect of hedging instruments against the risks which include a portion of change in fair value of time value of options, forward elements of forward contracts or foreign currency basis spread of financial instruments, not recognised as a hedging component in accordance with IFRS 9, as well other unrealised gains/losses which shall be disclosed under other comprehensive income in accordance with IAS and IFRS requirements which can be reclassified to gain/loss.

70. Accounts of group 83 – Profit, shall disclose retained earnings of the current year and profit of earlier years.

Account 830 shall disclose profit of the current year. When opening an account of general ledger for the next year, the amount reported in this account shall be transferred to the credit of account 831.

Account 831 shall disclose cumulative retained earnings in previous years, and the profit that is not arrived at as the difference between revenues and expenses (arising from correction of materially significant errors in earlier periods, based on cancellation of revaluation reserves, acquisition and disposal of own shares and on other grounds).

71. Accounts of group 84 – Loss, shall disclose loss of the current year and loss of previous years, as well as loss above equity.

Account 840 shall disclose loss recognised at the end of the accounting period (account 886). Loss of the current year, as disclosed in the annual financial statement in account 840, shall be transferred to account 841 when transferring the opening balance to the business books of account for the following year.

Account 841 shall disclose uncovered loss of previous years, by the transfer from account 840, as well as loss that does not arise from differences between expenses and revenues (resulting from correction of materially significant errors in earlier periods, in respect of acquisition and disposal of own shares and on other grounds).

Account 842 shall disclose the difference between the amount of reported loss and the amount of reported bank equity. When making entries in this account, account 841 shall be closed first, and then the missing amount shall be debited to account 840.

72. Accounts of group 85 – Profit tax of the period, shall disclose this tax.

Account 850 shall disclose profit tax – by debiting account 830 and/or 840, and crediting this account. Account 455 shall disclose liability for payment of profit tax – by debiting account 850 and crediting account 455.

73. Accounts of group 86 – Loss and profit from the change in deferred tax assets and deferred tax liabilities, shall disclose loss and profit in respect of the effects of changes in deferred tax assets and deferred tax liabilities. If the terms specified by IAS 12 have been met, the bank shall offset the balances in accounts 860 and 861 (lower balance principle).

Account 860 shall disclose loss from the reduction in deferred tax assets from previous years and creating deferred tax liabilities during the year. When closing this account, its balance shall be closed to the debit of account 830, up to the amount of profit reported in this account, including profit transferred from account 861, and the missing amount – to the debit of account 840.

Account 861 shall disclose profit from the creation of deferred tax assets and a reduction in deferred tax liabilities during the year. When closing this account, the balance in the account shall be closed to the credit of account 840, up to the amount of reported loss, and the remaining amount shall be credited to account 830.

74. Accounts of group 87 – Receivables and liabilities from internal relations, shall disclose receivables and liabilities from internal relations.

Account 870 shall disclose all receivables from internal relations in dinars from organisational units of the bank. Receivables in this account shall not be disclosed in the balance sheet form. At the balance sheet date, receivables from internal relations in dinars must be reconciled in accounts with liabilities from internal relations in dinars (account 871).

Account 871 shall disclose all liabilities of the bank's organisational units from internal relations in dinars. Liabilities in this account shall not be disclosed in the balance sheet form. At the balance sheet date, liabilities from internal relations must be reconciled in account with receivables from internal relations (account 870).

Account 875 shall disclose all foreign currency receivables from internal relations in foreign currency from the bank's organisational units. Receivables in this account shall not be disclosed in the balance sheet form. At the balance sheet date, receivables from internal relations in foreign currency must be reconciled in account with liabilities from internal relations in foreign currency (account 876).

Account 876 shall disclose all liabilities of the bank's organisational units from internal relations in foreign currency. Liabilities in this account shall not be disclosed in the balance sheet form. At the balance sheet date, liabilities from internal relations must be reconciled in account with receivables from internal relations (account 875).

75. Accounts of group 88 – Opening and closing of accounts, shall disclose general ledger opening balance, closing balance of performance account, profit and loss account, and closing balance sheet. The closing balance of the performance account shall be composed of results of operating activity, results of discontinued operations and the bank result – as a sum of or difference between results of operating activity and results of discontinued operations. The profit and loss account shall include the profit/loss at the end of the accounting period, profit tax and the transfer of profit/loss. The closing balance sheet shall be disclosed at the annual balance sheet date – as closing balances of assets and liabilities reported in the balance sheet.

Account 880 shall disclose balances of individual positions of assets and liabilities at the beginning of each business year, or in the course of a year when a new bank starts its operation. General ledger shall be opened by debiting account 880 to the credit of general ledger accounts with debit balance, and/or debiting general ledger accounts with credit balance, and crediting account 880. After all general ledger accounts have been opened, the totals of debits and credits in account 880 shall be equal to the total of the balance sheet used for opening the general ledger account.

Account 881 shall disclose closing balance of operating revenues and expenses – by debiting this account to the credit of account 690, i.e. by crediting this account to the debit of account 790. Entries in account 881 shall be made by individual positions on the income statement form, and balance in that account, after the transfer of operating expenses and revenues, shall be transferred to account 883.

Account 882 shall disclose closing balance of loss and profit of discontinued operations – by debiting this account to the credit of account

690, i.e. by crediting this account to the debit of account 790. The balance of account 882 shall be transferred to account 883, after the transfer of loss and profit of discontinued operations.

Account 883 shall disclose the transfer of profit at the end of accounting period – by debiting this account and crediting account 884, i.e. by debiting account 884 and crediting this account in case of loss.

Account 884 shall disclose the realised profit or loss at the end of accounting period – by crediting or debiting this account to the debit or to the credit of account 886.

Account 886 shall disclose the realised profit or loss at the end of accounting period transferred from account 884. Profit shall be transferred by debiting this account to the credit of account 830, and loss at the end of the accounting period shall be transferred i.e. by debiting account 840 and crediting this account.

Account 887 shall disclose closing balance of the general ledger account – by debiting this account to the credit of account of assets, i.e. by crediting this account to the debit of the account of liabilities. Entries in this account shall be made by individual positions in the balance sheet form. After all general ledger accounts have been closed in this account, the totals of debits and credits in this account shall be equal.

CLASS 9: OFF-BALANCE SHEET RECORDS

76. Accounts of group 90 – Investments under transactions for and on behalf of third parties, shall disclose investments of funds of third parties under contracts for transactions to be carried out for and on behalf of third parties.

Account 900 shall analytically disclose investments for transactions for and on behalf of third parties in dinars.

Account 905 shall analytically disclose investments for transactions for and on behalf of third parties in foreign currency.

77. Accounts of group 91 – Issued guarantees and other sureties, sureties for liabilities, assets pledged as collateral, irrevocable commitments and other commitments, shall disclose payable guarantees and performance guarantees and other sureties, issued acceptances and endorsements, sureties issued in favour of the bank and/or for the settlement of bank liabilities and bank assets serving as collateral for its liabilities, irrevocable

commitments for undisbursed loans and investments and other irrevocable commitments.

Account 910 shall disclose guarantees issued in dinars that are direct credit substitutes, such as guarantees for loan repayment, repurchase of issued unsubscribed stocks and bonds, uncovered letters of credit for payment etc., issued performance bonds, consignment guarantees, rent and lease guarantees, deposit and advance repayment guarantees, bid bonds, warrants and uncovered letters of credit related to specific transactions and other performance guarantees and amounts of acceptances and endorsements (account 960).

Account 911 shall disclose received guarantees, super guarantees, insured deposit amounts and other sureties in dinars, issued by third parties in favour of the bank and/or for the settlement of bank liabilities (account 961).

Account 912 shall disclose non-financial assets pledged, mortgaged or otherwise provided by the bank as collateral to secure its liabilities resulting from loans, deposits, issued securities and other financial liabilities and therefore the right of the bank to dispose of such assets is limited.

Account 913 shall disclose irrevocable commitments in dinars, which increase the degree of bank's exposure to risk, such as approved irrevocable undisbursed loan amounts.

Account 914 shall disclose other irrevocable commitments in dinars not encompassed by accounts of this group.

Account 915 shall disclose guarantees issued in foreign currency that are direct credit substitutes, such as guarantees for loan repayment, repurchase of issued unsubscribed stocks and bonds, uncovered letters of credit for payment etc., issued performance bonds, consignment guarantees, rent and lease guarantees, deposit and advance repayment guarantees, bid bonds, warrants and uncovered letters of credit related to specific transactions and other performance guarantees and amounts of acceptances and endorsements (account 965).

Account 916 shall disclose received guarantees, super guarantees, insured deposit amounts and other sureties in foreign currency, issued by third parties in favour of the bank (account 966).

Account 917 shall disclose irrevocable commitments in foreign currency, which increase the degree of bank's exposure to risk, such as approved irrevocable undisbursed loan amounts.

Account 918 shall disclose other irrevocable commitments in foreign currency not encompassed by accounts of this group (account 968).

Account 919 shall disclose financial assets, pledged or otherwise provided by the bank as collateral to secure its liabilities, which is why the bank's right to dispose of such assets is limited.

78. Accounts of group 92 – Derivatives, shall disclose receivables for derivatives by their contracted value, by the type of derivatives.

Account 920 shall disclose derivatives at their contracted value, other than derivatives intended for hedging.

Account 921 shall disclose derivatives intended for hedging at their contracted value.

79. Accounts of group 93 – Other off-balance sheet assets, shall disclose receivables for suspended interest, receivables on the basis of repurchase agreements, securities received in pledge, and other off-balance sheet assets.

Account 931 shall disclose receivables under sale and purchase agreements.

Account 932 shall disclose securities received in pledge.

Account 933 shall disclose the received material collateral to the bank's benefit, received warranties and other sureties for the settlement of bank debtors' liabilities, securities under custody operations, framework loans from other banks, custody operations and other off-balance sheet assets.

Account 934 shall disclose written-off financial assets in dinars transferred to off-balance sheet records.

Account 935 shall disclose written-off financial assets in foreign currency transferred to off-balance sheet records.

80. Accounts of group 95 – Liabilities under transactions for and on behalf of third parties, shall disclose liabilities in respect of received funds under contracts on transactions for and on behalf of third parties.

Account 950 shall analytically disclose liabilities in respect of received funds for transactions for and on behalf of third parties in dinars.

Account 955 shall analytically disclose liabilities in respect of received funds for transactions for and on behalf of third parties in foreign currency.

81. Accounts of group 96 – Liabilities for issued guarantees and other sureties, liabilities for sureties for liabilities, liabilities for assets pledged as collateral, liabilities for irrevocable commitments and other commitments, shall disclose liabilities in respect of receivables shown in accounts of group 91.

82. Accounts of group 97 – Liabilities in respect of derivatives, shall disclose liabilities for derivatives by their contracted value, by the type of derivatives.

Account 970 shall disclose derivatives at their contracted value, other than derivatives intended for hedging.

Account 971 shall disclose derivatives intended for hedging at their contracted value.

83. Accounts of group 98 – Other off-balance sheet liabilities, shall disclose liabilities for suspended interest, liabilities on the basis of repurchase agreements, liabilities in respect of securities received in pledge, and other off-balance sheet liabilities.

Account 981 shall disclose liabilities arising from sale and purchase agreements which are not shown in the balance sheet form.

Account 982 shall disclose liabilities in respect of securities received in pledge.

Account 983 shall disclose liabilities in respect of the received material collateral to the bank's benefit, received warranties and other sureties for the settlement of debtors' liabilities, securities under custody operations, framework loans from other banks, custody operations and other off-balance sheet assets.

Account 984 shall disclose liabilities in respect of written-off financial assets in dinars transferred to off-balance sheet records.

Account 985 shall disclose liabilities in foreign currency in respect of written-off financial assets transferred to off-balance sheet records.

III TRANSITIONAL AND CLOSING PROVISIONS

84. Banks shall transfer the turnover amount from accounts within the Chart of Account for Banks, which is integral to the Rulebook on the Chart of Accounts and Contents of Accounts in the Chart of Accounts for Banks (RS Official Gazette, Nos 98/2007, 57/2008 and 3/2009) to the accounts within the Chart of Accounts for Banks, which is integral to this Decision – with the balance as at 31 December 2014.

85. On the day of entry into force hereof, the Rulebook on the Chart of Accounts and Contents of Accounts in the Chart of Accounts for Banks (RS Official Gazette, Nos 98/2007, 57/2008 and 3/2009) shall cease to be valid.

86. This Decision shall be published in the RS Official Gazette and come into force on 31 December 2014.

D. No 9
9 July 2014
Belgrade

Governor
of the National Bank of Serbia

dr Jorgovanka Tabaković

CHART OF ACCOUNTS FOR BANKS

0 CASH, GOLD AND RECEIVABLES FROM OPERATING ACTIVITY

00 CASH IN DINARS
